

Wednesday

Welcome back!

Today we are going to add another  
African animal to page 2 of our book!

Make sure you've got everything you need  
to get creating!

Step 1:

Choose a different African animal of your choice to include on page 2 of your book.

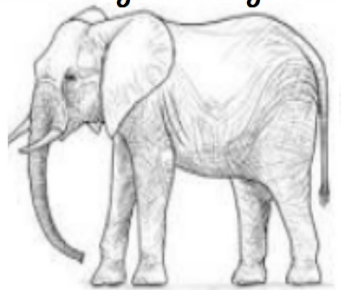

You can use the power point, google or even animal books from home to help you!

Step 2:

- Draw a picture of your animal on your paper and colour it in
- Write the name of the animal beneath the picture

Today I am going to choose...

Elephant

What will you choose?

Step 3:

Cut out a piece of paper or card that is the correct size to cover your picture

Step 4:

Write some facts/ clues on your piece of card/ paper

- 1 I am a very large animal.
- 2 I have thick skin.
- 3 I live in a herd.
- 4 I have a long trunk.

**TOP SECRET**

- You can number your facts
- You can use bullet points
- You can write as many clues as you like
- You can even make your clues really tricky so the person reading finds it hard to guess the animal!

Step 5:

Use your glue or sticky tape to attach your facts on top of your picture

You need to be able to lift the flap so don't stick the whole piece on top of your picture...stick the top or the side instead!

A huge well done! Page two is complete!  
Don't forget, to colour or decorate the  
background of page 2 if you want!

Check back in tomorrow and we will add more  
to our book!
