

Other Bits & Bobs

Water bottles - please send your child in with a named water bottle everyday.

Uniform - please ensure your child's school jumper/cardigan is clearly named.

Letters/money for the office - please post all letters, dinner money etc in clearly marked envelopes in the locked red wooden post box by the front door of the school, in the playground.

Mobile Library - children will have the opportunity to borrow a library book from the Bedfordshire Libraries 'Mobile Library'. It stops outside our school every other Friday. Please let the office know and they can help to set your child up with membership.

Website

For up to date information regarding our school please look regularly at our school website:

www.kymbrookprimary.co.uk

Here you will find the school calendar, term dates, staffing, school policies, information on school uniform etc.

In addition there are always the latest news items and class blogs that you can read, gallery photographs, newsletters and links to useful sites etc.

The 'Our Learning' tab has the very latest topic maps and includes which areas of the curriculum will be covered by which year group.

'Meet the Teacher'

Year 1 and 2

Academic Year 2024—2025

Welcome

This leaflet will be for the new academic year September 2024 to September 2025

Your child will be in Meerkats Class which is a Mixed Year 1 and 2 Class.

Meerkats Class Staff

Class Teacher:

Mrs Morel

Support Staff:

Mrs Rahman

Mrs Beard

Mrs Walker

Your child's happiness and well-being is paramount to us in Meerkats.

We do understand that there may always be worries and concerns for all families from time to time so please always feel free to talk to me if you have any kind of concern or need to update us with any information regarding your child, home situation etc. It is always best to sort out any issues as soon as they arise.

I am here for you.

Topics

Autumn Term 2024- **Castles, Knights, Princesses and Dragons**

This is an exciting topic enabling pupils to gain knowledge, skills and understanding associated with the world of turrets and tiaras, myth and magic. We also take an in-depth look at castles around Britain, within a historical and geographical framework.

Spring Term 2025- **Growing**

Children will be exploring the world of plants. This science focussed topic gives them plenty of hands on experience and practical learning as they begin to understand different aspects of this important area of learning. Through a study of schools in the Victorian times, children will be able to answer the question "What was is like growing up in the olden days?"

Summer Term 2025 - **Under the Sea**

Children love this topic as it lends itself naturally to all areas of the curriculum. The children's learning includes habitats, making and creating all things seaside as well as looking at the history of the seaside and...pirates!

PE

PE days are with Sinclair Sport on Tuesdays and Mrs Morel on Thursdays. Therefore we request that children come in to school on these days 'PE ready', wearing their P.E. kits.

Please ensure your child's P.E. jumper is clearly named.

Homework

- Please help your child with their reading at home. If children read with an adult every night at home, it will make so much difference to their overall attainment.
- Your child will have a log-in and password for the **Seesaw, Purple Mash** apps.
- Children will be given a "Homework Menu" from which they can choose from a selection of creative projects in different areas of the curriculum.

The expectation is that at least one piece of homework is completed once a week. But please don't worry if you have been busy and extra work at home has not been possible.
