

Zebras Home Learning Timetable Year 4

Weeks Beginning 29th June, 6th July, 13th July

Remember: You can do the topic activities in any order you like.

As some of you are in school and some are at home the week 29th June and then in for some of the days of transition week, I have made the planning very fluid and given you some options for literacy to either do a Literacy Shed unit or some of the online English units we have used. Please choose whichever one you liked best to continue with or mix and match over the next 3 weeks.

NOTE: Some literacy and topic based activities will also be put on Seesaw for you to access as well.
